Analysis: A rezoning request has been submitted for the purpose of expanding Bright Ridge’s use on the property. Bailey Bridge Road is a local street, capable of carrying traffic generated by the development, and/or uses allowed in the requested A-3 district. Water (Town of Jonesborough) is available to the property and adequate to accommodate the proposed use. The zoning in the area is A-1 and R-1, with the land uses ranging from agricultural to residential. Per Sections 511 and 512 of the Zoning Resolution, a Concept Plan is not required for this request.

In the future, the petitioner wishes to add solar panels to the site; however, the immediate request is to allow for a block chain data center. The data center will consist of a series of containers and 3,000-KVA transformers. Bright Ridge is proposing 4 sets of 6 containers, and 4 transformers. While there are small fans on the data centers that generate noise, the petitioner has advised that the noise is considered small and will not impact or be heard from adjoining properties.

Staff Recommendation: Staff recommends approval of the rezoning of 1444 Bailey Bridge Road, Tax Map 94 Parcels 52.02 (portions) and 52.05, from A-1 to A-3, as requested.

The Washington County Regional Planning Commission Recommends Approval of the Request. (4-0-1, Lindley recused).

Re:       Review of Washington County Board of County Commissioner Resolutions & Washington County Initiatives Reflecting Priorities Identified in Strategic Plan 2019 Commission Retreat

In support of the Commission's effort to report on its work that aligns with the goals identified in the 2019 retreat, I have prepared the below summary. In addition to the resolutions identified in this memo, which specifically address items brought before the full Commission, I have also noted the following events as related to one of the three priorities identified at the 2019 retreat:

(1) Development of comprehensive infrastructure and services improvement plan; especially for fire and water.

(2) Effectively communicate both internally (commissioners, elected officials, staff, employees, etc.) and externally (citizens, businesses, other agencies, cities, etc.); and

(3) Improve workforce development, including education, population, health, and skills development.

County Events

- Brightbridge Presentation of January 2020
- Quarterly Updates re PILOTS
- PILOT Update from Alicia Summers (re Johnson City IDB) Presentation of November 2019
- Spark Plaza Workshop (CIA Committee)
- Mayor’s Presentation re Economic Development (January 2019)
- Introduction by M. Miller and A. Summers re Local Economic Development Tools (TIF & PILOT)
- County Perspective – Valuation and In the Public Interest
  - Note that two economic development resolutions were deferred to February, and one was removed.
- TIF & PILOT Workshop with Tom Trent, attorney (February 2020)
- FY 20/21 Budget approved the funding of a Communications Director position. The position was filled and work began September 2019.

- PILOT (personal property/equipment) for ebm-papst put in place at the end of 2019.

For purposes of identifying applicable resolutions, the broadest interpretation was applied, e.g. comprehensive infrastructure includes county park and TDOT bridge projects. You may wish to review the year from your own perspective and edit accordingly.

Federal Cost Shifting of the Refugee Resettlement Program

Background

In 1980 the federal government formalized the refugee resettlement program by passing the Refugee Act of 1980. There was no mandate to force states to participate in this program. Federal appropriations to provide for medical and cash assistance for newly resettled refugees was authorized for 36 months. Refugees were and still are, first required to use state Medicaid programs if they are eligible. Federal medical assistance funds are only available for refugees ineligible for Medicaid.

When the federal law was passed, it authorized reimbursing 100% for three full years of the state incurred cost of providing Medicaid, cash welfare and SSI for each refugee brought to a state by a federal contractor. For refugees who did not meet eligibility criteria for state Medicaid and cash welfare programs, the law also provided a federal subsidy - Refugee Medical Assistance (RMA) and Refugee Cash Assistance (RCA).

By 1991, even though the number of refugees being resettled was not decreasing, the U.S. Office of Refugee Resettlement (ORR), eliminated reimbursement to states for the state costs of resettling and supporting refugees with Medicaid and cash welfare.

In addition, the federal government reduced the RCA and RMA subsidy from 36 months to 8 months for refugees who do not qualify for state funded programs. States have been forced to assume the greater share of costs for this voluntary federal program even if a state withdraws from the program.

The U.S. Office of Refugee Resettlement told Congress early on in the program that the reason states were no longer being reimbursed for the state’s costs was because Congress declined to appropriate enough money.
The 1981 Select Commission on Immigration and Refugee Policy convened by Congress also documented that even the initial 3 years of 100% reimbursement to states for the state portion of certain costs, was not sufficient to "minimize the impact of refugees on community services." The Commission was specifically referring to schools, hospitals and community support services.

In 1990, the U.S. General Accounting Office documented that the reduction in reimbursement to states for the federal refugee resettlement program, "costs for cash and medical assistance have shifted to state and local governments." The National Governors Association in the past, has likewise questioned the federal cost shifting, stating that "[t]hese reductions represent a major federal policy change that shifts fiscal responsibility for meeting the basic needs of refugees from the federal government to states and localities."

As the resettlement industry has grown, so has the cost to both federal and state governments but only the federal government controls its costs by appropriating annually "as available" while each state's cost is driven by how much of the federal cost Congress chooses not to pay.

**Tennessee's refugee resettlement program**

In 2008, Governor Bredesen withdrew Tennessee from the federal program. ORR selected Catholic Charities of TN (CCTN) to administer the program as the state replacement designee. Wyomining is a state that has no documented history of participating in the federal refugee program.

Limited data made available by CCTN shows that for FY2009 - 2012, approximately 4,474 refugees were brought to Tennessee by federal contractors, of which, 1,937 enrolled into TennCare. These numbers do not include secondary migrants.

WHEREAS, the President issued the Presidential Determination on the Admission of Refugees for FY2020, setting the admission cap at 18,000; and

WHEREAS, in 2007, Democrat Governor Phil Bredesen withdrew Tennessee from the federal refugee resettlement program; and

WHEREAS, in 2016, with overwhelming support in the State House and the Senate, the Tennessee General Assembly passed SJR467 and subsequently filed a lawsuit which is on-going challenging the federal refugee resettlement program for violating the Tenth Amendment; and

WHEREAS, the transferred federal costs are ultimately being paid by Tennessee state taxpayers; and

WHEREAS, President Trump issued Executive Order 13888, *Enhancing State and Local Involvement in Refugee Resettlement* which requires written consent from both the Governor and the chief executive officer of the local government (county or county equivalent) for the initial resettlement of refugees into specific communities; and

WHEREAS, the Funding Notice permits federally contracted refugee resettlement agencies to resettle different groups of refugees anywhere from 50 to 100 miles away from the resettlement agency offices in consenting counties such that non-consenting counties cities and towns can be forced to participate in the initial resettlement of refugees; and

WHEREAS, refugee resettlement agencies maintain offices and operations in Davidson, Shelby, Hamilton and Knox counties; and

WHEREAS, John Cooper, Mayor of the Metropolitan Government of Nashville and Davidson County has issued a letter of consent to U.S. Secretary Mike Pompeo and it is anticipated that Shelby County Mayor Lee Harris, Knox County Glen Jacobs and Hamilton County Mayor Jim Coppinger will do the same; and

WHEREAS, Governor Lee by letter dated December 18, 2019, to U.S. Secretary of State Mike Pompeo "per the terms of Executive Order 13888” has consented to “initial refugee resettlement in Tennessee” with no exemption for non-consenting counties; and
WHEREAS, by letter dated December 18, 2019, to Lt. Governor Randy McNally and House Speaker Cameron Sexton Governor Lee defines his consent as "valid initially for one year" in conflict with the terms of Executive Order 13888 and the Funding Notice which only requires consent for the period of time June 1, 2020 through September 30, 2020; now, therefore,

BE IT RESOLVED that ________________ does not want to be forced into participating in the federal refugee resettlement program due to either Governor Lee’s consent and/or being within the permissible placement radius of a resettlement agency office.

BE IT FURTHER RESOLVED that ________________ requests that Governor Lee retract his consent for initial resettlement in Tennessee for both the one year period of time as stated in his letter and/or the actual consent period required by the Funding Notice.

ENVIRONMENTAL COURT
ZONING PROCEDURE

COMPLAINT:

- Complaint is made by individual.

- Welfare Officer inspects property within 48 hours, if possible, of receiving complaint (pictures are taken).

- Welfare Officer determines, if any, County Ordinances/Resolutions are in violation. Verifies Property Owner information (TN Real Estate Assessment Data, Tax information).

- If Violations: Welfare Officer sends a Notice of Violation letter to Property Owner (contact office within 10 days with plans to abate or correct the violation(s)).

- If Property Owner does not contact by date: Welfare Officer re-inspects the property (pictures are taken). If property is still in violation, or if the Property Owner refuses to correct the violations: (i) the County Attorney office sends a Notice of Violation letter requesting the Property Owner contact the Welfare Officer within 10 days; or (ii) a Citation is issued.

- If contact made by Property Owner:
  
  A. Evaluate compliance/reach compliance agreement with Property Owner. Re-evaluate property periodically to determine if Property Owner is correcting the violation(s). Goal is always to have property owner correct the violations. If, during this time, the Property Owner ceases to correct the violation(s) the Property Owner is subject to a Citation being issued.

  OR

  B. If unable to reach a compliance agreement or Property Owner fails to follow through with compliance agreement, a Citation is issued.

CITATIONS:

- County Attorney office receives new case information from Welfare Officer. (Complaint, TN Real Estate Assessment Data, Road Map, Aerial Map, copy of Notice of Violation letter(s), inspection pictures and any other documents Welfare Officer has in file). Case file is opened. Verify Property Owner
information (current owner, correct spelling of name, mailing address, property description) with Register of Deeds and Tax Office**.

- Citation is prepared based on violations (see Notice of Violation letter).
- Welfare Officer files Citation with General Sessions Clerk of Court.
- Citation is given to Constable/Deputy Sheriff for service. (Confirm with Constable prior to court date status of service.)
- Welfare Officer brings copy of filed Citation for Attorney file.
- Case information added to the List of Cases spreadsheet.

** If property is to be sold at a tax auction, get date of auction, mark client list. See Tax Sale Procedure below.

IF A CITATION CANNOT BE SERVED BY PROCESS SERVER (Constable/Sheriff Department) OR UNABLE TO LOCATE PROPERTY OWNER:

If Property Owner is not deceased and local: Prepare a Notice for Publication (be sure to have correct court date (4 weeks out) and citation number). Take Notice (original and 1 copy) to Clerk for filing. The Clerk will send to the newspaper. Clip Notice from the newspaper and place in file. Be sure to add the public notice fee to the final Order. Prepare an Affidavit of Publication. On the last day the notice is published, contact the newspaper office so the Affidavit of Publication can be completed. File the Affidavit of Publication with the clerk's office no later than three days prior to court.

If Property Owner is deceased: Contact the Probate Court to determine if there is an open probate. If so, get Executor/Personal Representative/Attorney contact information. If probate has not been opened, search newspaper obituary for next of kin information. Reissue the Citation to get a new court date and prepare Notice for Publication (If in probate: Zoning v. Heirs of Defendant; if not in probate: Zoning v. Defendant c/o Heirs of Defendant).

If Property Owner is a business: Determine if registered with Secretary of State and serve the Registered Agent if local business/Registered Agent. If not local business/Registered Agent, send the Citation via certified mail/return receipt, be sure to have receipt stamped by Post Office. File signed return receipt with Court.

If Property Owner is not local: Verify correct mailing address via tax bill. Send Citation certified mail/return receipt, be sure to have receipt stamped by Post Office. Be sure to check the correct box so that a signature is obtained. Go to the USPS website to get tracking information, print it and take along with signed return receipt to file with Court.

If still unable to locate Property Owner:
• Send a letter to the Property Owner’s District Commissioner(s).
• Prepare Order of Dismissal to clear court costs and court file.

COURT PREPARATION:

4 Days before Court Date: If new case – Defendant gets a copy of the Zoning Resolutions in violation.

• Email Welfare Officer list of court cases (names and addresses) for status of case (in compliance/continuance) and updated photos.
• Verify with Register of Deeds website that property owner hasn’t changed.
• Based on information from Welfare Officer, draft Order(s).
• Prepare a Court Information Sheet/Docket as follows:
  a. Date of Court
  b. Judge
  c. Court Room
  d. Name of Defendant
  e. Date of Citation
  f. Case #
  g. Court Date (# of appearances and dates of appearances)
  h. Fine amount ($50.00/day/violation) from date of citation to the court date (normally this fine is not applied/Tom likes to have the info for effect). Could also be a $50 reset fine if reset a second, etc. time. First reset does not get a $50 reset fine.
  i. Fine amount for final Judgment Order or Default Judgement Order.
  j. Notes (agreement reached/in compliance/etc.)
  k. Court Cost (amount paid/amount not paid)

2 days before Court Date, contact Clerk of Court to:
  a. Verify the Docket/service (be sure to ask if any that aren’t on Information Sheet/Docket)
  b. Verify Court costs owed by Property Owner (or can check TN Public Court Record website – obtain log in information from Clerk of Court).
  c. Verify Judge and Court room

**Contact Clerk of Court to determine future court dates. Place future Environmental Court Dates and the Judges scheduled at bottom of each Court Information Sheet/Docket.

1 day before Court Date, have County Attorney review Orders and revise as needed.
Court Orders:

**Key is to get Property Owner/Defendant to ADMIT the zoning violation. No need for a trial if admit.**

- Agreed Order: 1st extension – there is no fine, only court costs
- Agreed Order: 2nd extension and beyond – a $50 reset fine is assessed and Defendant is advised could be fined up to $500.
- Default Judgment Order – confirm the $500 fine and court costs. Be sure the language is there for the General Welfare Officer and any other representative of the County to enter onto the property to abate the violations and the lien language is in the Order. **IF noticed it in paper** – be sure to include the notice filing fee in the Order.

Day of Court:

- Place all Files w/Orders & 3 sets of pictures along with Court Information Sheet/Docket in bucket/redwell file for court.
  - Items on the flashdrive:
    - Complete Individual Case File (Orders and pictures) for each case
    - Citations (forms)
    - Orders (forms)
    - County Resolutions
    - Zoning Procedures
    - Updated Case List
    - Court Information Sheet/Docket
    - Anything else that might be needed by attorney for court
- Take laptop, stapler, pens, post-its, etc.
- Get Original File that has Citation(s)/Order(s) from Sessions Court Clerk.
- County Attorney and Welfare Officer meet with Property Owners prior to court to attempt to reach an agreement regarding violations. Have Agreed Orders signed by Property Owners.
- Once met with all Property Owners, proceed to court room. Judge will call for presentation of cases. County Attorney will present cases, call the defendants and the Judge will sign the original Order. Have the County Attorney get the original Orders back from the Court Clerk so that copies can be made for the Defendant and for the case file. Give the original Orders and court files back to the Court Clerk.
After Court:

- Update Court Information Sheet, if applicable.
- Update List of Cases spreadsheet and files with new court date/close file.
- If an Order to Clean-up or Default Judgment, obtain 3 certified copies from the Clerk. Welfare Officer will obtain the estimate/quote for the work.

Clean-Up property / File Lien:

- Check titlesearcher and Register of Deeds to verify property ownership.
- Welfare Officer will get updated photos.
- Begin the approval process to obtain the money necessary to clean the property. (attach copy of the certified copy of the Order, photos and estimate/quote)

**Suggested Clean-up quote process:**

If under $10,000 obtain 1 clean-up quote from a reputable lawn maintenance contractor.

If over $10,000 -- follow procedure for your County's Bid Process.

If junk auto(s) needs to be hauled off -- obtain a quote from a wrecker service/auto salvager.

Once approved and monies obtained to clean up property:

- **Re-check titlesearcher and Register of Deeds to verify property ownership** and is not in bankruptcy, scheduled for tax sale or has been sold.

If property is still owned by Defendant:

- Welfare Officer is notified of approval of monies to clean property and begin property clean-up and place sign on property.
  - If Defendant is living on property -- post a certified copy of the Order on the door. Clean-up contractor also will have a certified copy of the Order when at the property doing the clean-up to show the Property Owner. If Property Owner is unruly, contact Sheriff Department to have a Deputy on premises during clean-up process. If a charge by the Sheriff Dept., be sure to add amount to lien.
  - Follow your Procedures to obtain monies to pay the clean-up company.
Once clean-up is complete - re-check titlesearcher and Register of Deeds to verify property ownership.

- Prepare Order for lien to be signed by Judge at next zoning court date.
- Once signed, obtain a certified copy from the Clerk of Court. Record Certified Copy of the Order for lien with Register of Deeds office.
- Once recorded, send copy of recorded Order to Property Owner at last known address.
- Maintain file with other lien files.
- Once satisfied/paid, prepare a Satisfaction of Judgment, Release Lien and Receipt for payment if defendant bringing check to County Attorney. File the Satisfaction of Judgment with Clerk of Court and give total amount of lien money. File the Release Lien with the Register of Deeds.

The lien will attach to all the property, not just the subject property address, owned by the property owner. If property owner has property in another county, file lien in that county.

If property is not clear (sold, to be sold in a tax sale or in bankruptcy/IRS, etc.):

**If property is sold to another person/entity:** STOP. May have to file a dismissal order and start over on the new owner. County Attorney to determine if the lien should still be placed against the property owner's name.

**If property is to be sold in a tax auction** -

Obtain a list of properties to be sold in the tax sale and date of tax sale from the Clerk and Master's office. Send a letter to the attorney who handles the tax sales requesting the property lien amount be added to tax sale. If possible, attend the tax sale to determine who buys the property. If not possible, after the tax sale, contact attorney to get name of property buyer.

If the property is sold to an individual, dismiss the case. Give the new property owner time to abate the violations. If new property owner does not abate the violation, send letter re: previously in court. If new property owner does not contact the Welfare Officer, send Citation to the new property owner.

If the County obtains the property, note on the case list and file a dismissal order and close the file.

If the Co. obtains the property and there is a lien on the property prior to the tax sale: note it on the case list and hold the file.

**If property is in bankruptcy.** Verify on Pacer (Public Access to Court Electronic Records), determine status of case and if able, file a creditor claim. Hold file until out of bankruptcy. Once out of bankruptcy, determine if property owner still owns
the property and if continued violations, prepare a new Citation (see re-violates/in contempt).

To Release the Lien —

Prepare a Release of Lien and a Satisfaction of Judgment. The check is to be made payable to the Clerk of Court for the total amount of the lien. Take the check and the Satisfaction of Judgment to the clerk. Take the Release of Lien to the Register of Deeds to file. Send a copy of each document to the property owner’s last known address. The Clerk of Court will send monies to the County Trustee’s office for cost of clean-up fees.

If Property Owner has a Notice and Order of Quarantine (Meth Lab):

Website: https://www.tn.gov/environment/program-areas/remediation/meth/meth-quarantined-property.html

Check the Register of Deeds office to see if there is a Notice and Order of Quarantine. It will state the date and location of the Meth Lab on the property. A quarantine sign should be on the location, be sure to take pictures of the sign.

Contact the County Quarantine Officer who is listed on the Notice to determine the outcome of the case against the Property Owner/tenant/individual responsible for the meth lab.

If the County is taking action regarding the abatement of the property, then note what action the County is doing in the Citation as well as any orders.

If the County is not taking any action, then only note the quarantine violation in the citation and any orders.

Contact an Authorized Meth Lab Cleanup Contractor to determine if he is aware of the quarantined property and to obtain an estimate to abate the quarantine.

If the Property Owner cannot abate the quarantine violation, prepare Order to County to abate the property and begin the process to obtain approval for the County to abate the quarantine. Obtain a formal estimate from the Authorized Meth Lab Cleanup Contractor. Follow the steps above to clean-up property and obtain a lien.

You can check the Registry of Methamphetamine Contaminated Properties, updated monthly, for properties in your area.

If Property Owner Re-Violates/In Contempt:

A Citation is served on the property owner stating the previous case. Be sure to include previous violations/case information on the Court Order.
Jonesborough Community Blessing Box

Proposal:
A Community Blessing Box located near the entrance/parking area of the Jonesborough/Washington County Library. The Blessing Box is a community sustained mini food/necessity pantry that people can add non-perishable food items and household necessities to and individuals that need those items can take from the box. The concept is quite simple- the blessing box receives items from those who want to donate and offering items to those who need it; whether you give or take, it’s a blessing.

Why A Blessing Box:
People can take food or necessity items anonymously and never have to explain their need. It can be a blessing for many individuals that don’t qualify for other assistance or simply do not want to ask. It’s very much a short term, “Band-Aid,” to help someone in a tough situation who may need food or a household necessities (cleaning product, soap, toilet paper, etc.). Small acts of kindness will make a difference for our community members in need.

The blessing box is small so it is not replacing a food pantry. It can’t be relied on for meeting every need but can help meet temporary, short term needs.

The Box:
Someone has stepped forward to build the box. The size will be similar to a kitchen cabinet size (12 by 24) with plexi-glass in the doors and a roof to divert water/weather from the doors of the Blessing Box. The box will be painted tan, as not to distract from the appearance of the Library. A photo example of a similar Blessing Box:

Jim Wheeler, Chairman of the Washington County Public Safety Committee

As Chief of the Limestone Volunteer Fire Department I would like to request county funding for the installation of one fire hydrant in our fire district, located on Culver Road at the intersection of Washington College Station Road.

A fire hydrant installed at this location would greatly enhance our firefighting capability and would help all of the citizens of this community with the available water supply plus the money saved from lower home owners insurance premiums.

RESOLUTION REQUESTING THE GENERAL ASSEMBLY OF
THE STATE OF TENNESSEE AND SPECIFICALLY STATE
SENATOR RUSTY CROWE, STATE REPRESENTATIVE
MATTHEW HILL AND STATE REPRESENTATIVE MICAH VAN
HUSS TO SPONSOR A JOINT RESOLUTION ON BEHALF OF
WASHINGTON COUNTY NAMING AN INTERCHANGE OFF I-
26/BOONES CREEK AT EXIT 17 IN MEMORY OF SENIOR AIRMAN
BENJAMIN DANIEL WHITE, USAF

WHEREAS, Benjamin Daniel White was born in Greeneville, Greene County, Tennessee on October 16, 1985. He grew up in Erwin, Unicoi County and Johnson City, Washington County, all in upper Northeast Tennessee; and

WHEREAS, Ben attended church at Grace Fellowship and graduated from Science Hill High School, Class of 2004, both in Johnson City. During these years he loved playing soccer and being a youth leader, even though he was still a youth himself. He coached soccer and guided our future during summers at Doe River Christian Camp, a high adventure youth camp located in Hampton, Tennessee; and

WHEREAS, after high school, Ben attended East Tennessee State University while still searching for what niche that God intended for his life. During the summer of 2006, that was made clear to him and he enlisted in the United States Air Force (USAF). Two days before reporting for duty in July, he completed his final church service at Doe River and he told the youth, “I don’t know what it is yet, but God has something big planned for me to do;” and

WHEREAS, before entering the USAF, Ben decided the duties of a Pararescueman, a “PJ” was the career path he wanted to pursue. Pararescuemen are exceptionally highly trained and qualified in ground combat, search and rescue, and emergency medical combat trauma care. They are assigned to the United States Air Force Special Operations Command and Air Combat Command as special operators tasked with the recovery and medical treatment of personnel in humanitarian and combat environments. Reports note that 8 out of 10 PJ candidates wash out during the first nine weeks; and

WHEREAS, Ben completed this nearly two-year intensive, grueling course in June 2009, and received his coveted Pararescue Badge and Maroon Beret. He was assigned to 563rd Rescue Group at Davis-Monthan Air Force Base in Tucson, Arizona. In April 2010, Ben was dispatched to Afghanistan for what would be his first and last deployment. His faith never wavered; in a letter he wrote home from Afghanistan, he stated, “I’m exactly where God wants me to be.” On June 9,
2010, after flying more than 90 sorties with the 41st Expeditionary Rescue Squadron, Ben and three other PJs left Camp Bastion on HH-60 Pave Hawk Helicopter, Call-Sign Pedro 66 to rescue a severely wounded British Marine. When they got near Forward Operating Base Jackson in the Helmand Province, Pedro 66 received hostile ground fire, the pilot lost control and crashed. Ben and three others were killed and the pilot died a few weeks later from his injuries; and

WHEREAS, Ben came home to a Hero’s Welcome from an outpouring of communities in support of him and his family. Ben lived and gave his life by the scripture he had tattooed on his back, “Greater love has no man than that he would give his life for a friend.” His marker at Mountain Home National Cemetery is emblazoned with the PJ motto, “These Things We Do, That Others May Live;” and

WHEREAS, the Public Works Committee at its February 6, 2020 meeting recommended consideration; now therefore

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF WASHINGTON COUNTY, TENNESSEE THAT:

SECTION 1. We, the Washington County Board of County Commissioners, do hereby desire to honor and celebrate the life of Senior Airman Benjamin Daniel White, a young man who served his country with purpose and conviction in the United States Air Force and made the ultimate sacrifice in defense of democracy, by naming the interchange off I-26/Boones Creek at Exit 17 in Washington County:

“In Memory of Senior Airman Benjamin Daniel White, USAF”

SECTION 2. That the Washington County Board of County Commissioners requests that the State Senator and Representatives for Washington County take the appropriate action in the General Assembly of the State of Tennessee on behalf of Washington County to ensure that the interchange off I-26/Boones Creek at Exit 17 in Washington County is officially renamed “In Memory of Senior Airman Benjamin Daniel White, USAF.”

RESOLUTION REQUESTING THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE AND SPECIFICALLY STATE SENATOR RUSTY CROWE, STATE REPRESENTATIVE MATTHEW HILL AND STATE REPRESENTATIVE MICAH VAN HUSS TO SPONSOR A JOINT RESOLUTION ON BEHALF OF WASHINGTON COUNTY NAMING AN INTERCHANGE OF I-26/UNIVERSITY PARKWAY BRIDGE AT EXIT 24 IN MEMORY OF DR. BILLY GRAHAM

WHEREAS, Dr. Billy Graham was an Evangelist, Ambassador, Civil Rights Leader, Author, Statesman, Councilor, Advisor, Peacemaker, Friend of Presidents, and Man of God; and

WHEREAS, in late 1938, Dr. Graham conducted his first revival and since that time he has conducted just less than 400 crusades throughout the world, reaching each of the six inhabited continents. Dr. Graham has been arguably the most honored and respected man in the world for the past 70 plus years. He has been a councilor and confidante to Presidents, Kings, Prime Ministers, Princes, Dictators, Rabbi’s, Ministers, Sheiks, Governors, Senators, Congressman, and hundreds of other world leaders and Public Figures; and

Whereas, Dr. Graham has been regarded and honored as one of the “Most Admired Men in America” year after year for the past 60-plus years; and

WHEREAS, Dr. Graham has been asked to run for President of the United States, the U.S. Senate, State Governor, Ambassador, Cabinet Member and many other prestigious positions, Dr. Graham turned down all of these offers because he believed God had appointed him to “go into all the world and preach the gospel of Jesus Christ” which is to “love your neighbor as yourself.” Like Jesus, Dr. Graham believed that we are all brothers and that our skin color and our race are unimportant in God’s eyes. We are all His children; and

WHEREAS, because of Dr. Graham’s beliefs, that all men are created equal, he worked closely with Martin Luther King as they began their campaigns for equality among blacks and whites. As early as 1952, Dr. Graham conducted a crusade in the deepest part of the South (Jackson Mississippi) and personally removed the ropes that separated blacks from whites in the tent in which he was speaking, insisting that all in attendance worship and live as brothers. He refused to hold a crusade anywhere in the world that would not allow blacks and whites to attend and to be seated together; and
WHEREAS, one could aver that Dr. Graham was the very first white civil rights leader who openly stressed the equality and rights of all races. At the very least, he was certainly one of the most adamant and consistent voices of the movement and remains so to this day. Dr. Graham and Dr. King were the catalysts for guiding other black and white men and women to continue campaigning for equality for all men regardless of their race; and

WHEREAS, Dr. Graham celebrated his 95th birthday in November 2013 by giving his planned last message to the world by way of national television, DVD, internet, and other social media to present the “My Hope America” campaign to our Nation. As usual he urged each of us to love our fellow man, to follow the Ten Commandments, and to accept Jesus Christ as our Lord and Savior just as he has done for these past 70-plus years; and

WHEREAS, just as our country has celebrated the lives of some of our early past Presidents and as we celebrate the accomplishments of such stalwarts as Dr. Martin Luther King, so must we extend that same honor to the man who, with Dr. King, launched the civil rights movement; who preached tolerance and peace to the leaders of all nations; whose Crusades and evangelism were the catalyst to millions of men, women, and children accepting Jesus Christ as their Lord and Savior; and

WHEREAS, the Public Works Committee at its February 6, 2020 meeting recommended consideration and approval of this request; now therefore

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF WASHINGTON COUNTY, TENNESSEE THAT:

SECTION 1. We, the Washington County Board of County Commissioners, do hereby desire to honor and celebrate the life of Dr. Billy Graham, by naming the intersection of I-26/University Parkway Bridge at Exit 24 in Washington County: “In Memory of Dr. Billy Graham”

Items Discussed:

Item 1 – Rule 12A: Committees of the Board, Committee on Committees

Discussion continued about how the Commission selects members to the Committee on Committees. The current version of Rule 12A and a previous working draft are attached. Commissioner Tester made a suggestion that we look into something similar to the way the Public Works committee is done by regions of the County. Brief discussion of this idea followed. Commissioner Carriger thought this may get a little too complex and wanted to keep it as simple as possible. Commissioner Wheeler stated he was not sure if this would help solve previous issues.

The County Attorney, Ms. Wilkinson, provided an alternative for the committee to discuss where we could use a points and ranking system to vote (attached). Commissioner McAllister stated that he was familiar with this system, as it is the way a lot of Military selection boards are conducted. However, in the military you are compelled to vote for every candidate. Commissioner Carriger did not think you could make a Commissioner compelled to vote for a certain number of candidates. Commissioner Wheeler was concerned that even if our rules said we had to vote for a certain number that this would cause conflict.

The County Attorney also provided a written draft, further revised from last month’s meeting, where additional language is added to the current rule (attached). The question was raised of whether we need to require eight (8) votes for nominees to be elected, or if the rule could just say those with the most votes are elected. Discussion continued about this draft and some changes were recommended. It was suggested we add in that ballots shall be published in the meeting between each vote and that we try to clarify the voting procedure. Ms. Wilkinson said she would incorporate these changes and bring them back to the committee.
Item 2 – Rule 12F: Committees of the Board, Standing Committees
Commissioner Tester brought up that the Audit and Ethics Committee should be two separate committees, according to statute. The County Attorney agreed and said she would bring a recommendation to our next meeting for the rule. Commissioner Wheeler suggested that we add a County-Owned Property Committee. Commissioner Tester and Commissioner Malone asked how members of the Resale of Land Committee were selected. Ms. Wilkinson said she would research these items and follow up with the committee next month. Commissioner Tester mentioned that environmental court cleanups may need to be listed under the responsibilities of the Health, Education, and Welfare Committee.

Motion to adjourn was made by Commissioner Wheeler and seconded by Commissioner Carriger. Motion carried unanimously, and the meeting was adjourned at 8:59am.

Action items:
- County Attorney to update drafts of Rules 12A and 12F, incorporating the changes discussed, for review at next month’s meeting. Also, County Attorney to provide to the committee an answer on how members of the Resale of Land Committee are appointed.

Respectfully submitted by Commissioners McAllister and Tester.

Re: Delinquent Tax Parcels which should not be struck off to the County

Dear Ms. Stoots:

Most of the following properties do not pose an environmental problem, but none the less, the County will not wish to place these in its inventory of delinquent tax parcels. Pursuant to TCA 67-5-2506(a)(2), I would recommend that the following parcels not be struck off to the County and have listed a short explanation as to why. I have attached tax maps for each parcel (with the exception of parcels with city judgments) to show a visual representation of the parcel. These parcels will remain in the sale and hopefully an individual will purchase them.

1. Barnette, Bradley Spencer (new owner: DH RE TENN 1 LLC)-Map 054C/Group C/Parcel 002.00-As of today, the current judgment for city taxes is $35,739.02.

2. Brant, Jeffery Daniel-2 Kimberly Ann Court-Map 027F/Group G/Parcel 044.00-This is a detention pond. It serves no use and would pose a risk to the County.

3. Ervin, Edward & Ethel-1411 E. Millard Street-Map 046D/Group S/Parcel 019.00-As of today, the current judgment for city taxes is $16,001.90.

4. Harrell, Don-Embreville Road-Map 054I/Group C/Parcel 001.00-As of today, the current judgment for city taxes is $198,012.04.

5. Kyle, C. Glenn-1312 E. Watauga Avenue-Map 046D/Group N/Parcel 024.00-As of today, the current judgment for city taxes is $13,708.99.

6. Montgomery, Terry-296 Holland View Drive-Map 027F/Group G/Parcel 043.00-This parcel is located beside Map 027F/Group G/Parcel 044.00 (Jeffery Daniel Brant) and the other half of the detention pond is located on it.
8. Surber, Matthew O. & Shannon-1011 Embreeville Road-Map 054P/Group B/Parcel 016.00-As of today, the current judgment for city taxes is $20,337.74.

9. Tri-Hotels, Inc.-NE/OFF N Roan Street-Map 038H/Group C/Parcel 006.02-This parcel appears to be a retention pond and would pose an environmental risk.

10. Walker, Gayle W. & Walker, Robert J. Jr. (now David E. Walker & Kathy K. Walker)-175, 181 and 183 Bayless Road-Map 034M/Group B/Parcel 023.01, 023.01 S/I 001 S/I 201, S/I 202, S/I 203, S/I 204, Map 034M/Group B/Parcel 023.00 S/I 202, S/I 203, S/I 204, S/I 205, Map 034M/Group B/Parcel 023.00 and Map 034M/Group B/Parcel 022.00-This poses an environmental risk as there is located on the property old tires, asphalt, potential oil spillage, black mold in the dilapidated mobile homes and other hazardous wastes.

Once the Commission has approved not to accept these, email us and we will make sure the Clerk & Master does not strike these off to the County at the sale.

Sincerely,

[Signature]

Committee members absent: none

The meeting was called to order by Mayor Grandy. Prayer and pledge to the flag was led by Commissioner England.

Motion to approve the minutes of the January 15th meeting was made by Commissioner Malone and seconded by Commissioner Light. Motion carried unanimously.

Approval of the Agenda – Commissioner Malone asked if the Mayor would add to the agenda, an update on the recently leased election space at the Olde Town Hardware building. Items discussed:
Item 1 – Mayor Grandy briefed the Committee on the recently leased election space at the Olde Town Hardware building located at 220 North 2nd Avenue, Jonesborough. Mayor Grandy just learned that Election Day voting must take place at the Historic Courthouse due to its proximity to the precinct. There is a limitation as to how far the polling place can be from the precinct line and the Olde Town Hardware building is outside that proximity. Early voting can be held at the Olde Town Hardware building, but Election Day voting must be held at the Historic Courthouse.

Item 2 – For informational purposes, Mayor Grandy presented to the Committee budget amendments that were approved by the Mayor since last month’s budget committee meeting. (attachment)

This is a matching grant. The State will contribute $94,500 and the County will contribute the remaining $40,500 for a total project estimate of $135,000. Monies will be used for master planning, survey and other due diligence work at the Washington County Industrial Park. A motion to approve was made by Commissioner Wheeler seconded by Commissioner England. Motion carried unanimously. Request will be forwarded to the Commission in the form of a resolution (proposed #20-02-02).

Item 5 – From HEW - Phillip Patrick of the Washington County Schools requested Capital Projects funds for reroofing of the Daniel Boone High School’s gymnasium. This is a School Capital Project that was included in their 5-year plan. Based on Mr. Patrick’s presentation and HEW Committee recommendation, a motion was made by Commissioner Light seconded by Commissioner England to approve reroofing the DBHS gymnasium roof at a cost not to exceed $400,000. Motion carried unanimously. Request will be forwarded to the Commission in the form of a resolution (proposed #20-02-04).

Item 6 – From Public Safety – Request to authorize the Mayor to sign the Emergency Management Performance Federal Grant FY19. This is a recurring grant and funds a portion of the Emergency Management Agency’s budget. A motion was made by Commissioner Malone seconded by Commissioner Light. Motion carried unanimously. Request will be forwarded to the Commission in the form of a resolution (proposed #20-02-07).

Item 7 – From HEW - Mayor Grandy presented to the Committee a DRAFT Inter-Local Agreement between Washington County, TN and the City of Johnson City regarding provision for school capital improvements to the City and its Board of Education, by the County.
