

602. A-2 Agriculture-Residential District. It is the intent of this district to provide areas for low density rural residential development where continuation of certain farm uses are compatible with this development. The A-2 Agriculture-Residential District is particularly intended for lower density development than the typical suburban residential development, and yet is not meant to be a predominate agriculture area, although farming may be carried on to a large extent as a supplementary activity. In some instances this district may be applied where there is little likelihood that public water and sewer systems will be available in the near future.
